INTAN JAYA- The Raider Infantry Battalion 509/Balawara Yudha Kostrad, is part

of the Indonesian Armed Forces Operational Command (KOOPS TNI) in Papua, which carries out mobile security at the border of Indonesia and Papua New Guinea, especially in the Intan Jaya Regency area, Papua Tengah Province. On Tuesday, 23 July 2024, the 509 Task Forces Patrol Team secured the Bilogai Village, Sugapa District, and distributed packages of basic necessities to the residents at the patrol route.

On the orders of the 509 Task Forces Commander, Lieutenant Colonel Dian Dessiawan Setyadi, the Bilogai Post led by First Lieutenant Abdian has planned and prepared for Patrol and Distribution in the Bilogai Village. This time, the Soldiers used the time to interact and communicate with the residents to discover local developments. The presence of the Soldiers was welcomed happily by the residents who had the opportunity to meet face to face.

By continuing to prioritize security during activities, harmonious communication interactions between the Soldiers and the residents are increasingly being established with the initiative to distribute the basic necessities. The residents' joy was immediately visible from their wide smiles and laughter immediately after receiving the free packages from the Soldiers. One of them, Mr Antonius Sondegau, expressed his impression, "Praise God, thank you Commander 509 for the packages. God bless."

"The initiative of the 509 Task Forces to distribute basic necessities in the Bilogai Village is the TNI's concern to provide services for the basic necessities of the community to support the acceleration of development in the Papua region," said the KOOPS TNI Commanding General, Brigadier General Lucky Avianto, upon receiving the program report.
